

We Want Great People Just Like You!

Get rewarded for your clinician referrals! We are seeking CRNAs and Anesthesiologists to provide services at our centers.

One of the best ways to find talented people is to ask other talented people for recommendations. If you know Certified Registered Nurse Anesthetists (CRNAs) and Anesthesiologists, refer them to us and earn money.

\$250 for part-time and PRN

\$500 for full-time

Referred CRNAs and anesthesiologists must be credentialed and complete a scheduled shift within 60 days of the referral for payment.

Submit your referrals to Amber McFarland, Manager, AMSURG Anesthesia Services, at Amber.McFarland@amsurg.com.
